REVIEW

Article title:

Authors:

	YES	NO
1. Does the content of the article correspond to the profile of the magazine?		
2. Are previously published works repeated?		
3. Does the title of the article reflect the content?		
4. Does the annotation provide information about the article?		
5. Need to shorten the text?		
6. Are references to the literature sufficient and all necessary?		
7. Are all the pictures and tables done well?		
8. Were the results finally confirmed?		
9. Is there a need to clarify the results?		

REVIEWER'S NOTES (if any)
